THE 'SIBLINGS'

STRATTON 'SIBLINGS' REUNION. Aug 17, 2019. West Jordan, Utah.

At the Reunion, Megs asked Cliff J (CJS) to explain this *Stratton Adam Chart*. Thirty years ago, it was fashionable and unique for Genealogists to trace their ancestry back to royalty and then follow the established lineages back to Adam and Eve. On this *Stratton Family Adam Chart*, we see some of the ancestral lineages of Carole, Cliff J, Megs, and Chuck (the 'Siblings'), and our descendants (you!), back to Adam and Eve. Today, 2019, thanks to Carrie, Marleen, and other Cousins, we have hundreds of our ancestors traced back to Adam and Eve; it's quite common now. This is one of our work-copy charts in 1992 (sorry, it's not very pretty, but it's much more informative than a standard chart today), that us Siblings produced over the years, showing three major Stratton lineages:

1. English Royalty. Your Grandma or Great-Grandma, Pat Stratton (picture), when she joined the Church, became an avid Genealogist. So, Carole, Cliff J, Megs, and Chuck spent many years assisting her in finding her ancestral family and completing their eternal ordinances in the Temples. At the bottom right of the chart, next to the picture of Cliff Sr. and Pat Stratton, peruse your lineage through English and Irish Royalty to Adam and Eve (Elmer Black line through Judah, one of the 12 Tribes of Israel; thank you Rachel for your help on the Irish lines
